### **MARCH CAMPOUT**

The Heart of Dixie Ramblers held its March campout at Spring Villa campground in Opelika, Alabama. Carolyn Gibbs hosted in place of Bob and Robbie Reid as Bob Reid was not able to host due to health reasons. Attending were the DePriests, the Kemps, Carolyn Gibbs, Thursa Brown and the Finns. Ralph Jefferson drove in for lunch and the business meeting on Friday. The weather co-operated for most of the weekend with just a shower one evening.

On Wednesday evening we enjoyed some delicious soup prepared by our host. We played skip-bo and dominos during the campout and just enjoyed getting caught up with the latest happenings since we had not camped in January and February due to the cold temperatures.

On Thursday and Friday mornings, the early birds met for coffee and nut bread prepared by Carolyn.

On Thursday evening, we had our traditional covered dish dinner and as usual the food was great. We do have some good cooks in our club.

We had lunch out on Friday noon at Zoe's Restaurant. Zoe's is a small restaurant in Opelika, mostly take-out, but the food was outstanding. Thanks to Carolyn we found a new place to eat in Opelika. After lunch we had our business meeting and then made a unanimous decision to leave for home on Friday afternoon. Showers were predicted for Saturday and we didn't want to be driving in the rain.

### **ABOUT OUR MEMBERS**

1. Bob Reid is having some health problems.
  2. Thursa Brown had a heart attack 2 weeks ago, but seems to be doing okay.
