JUNE CAMPOUT

The Heart of Dixie Ramblers held its monthly campout on June 9-11, 2016, at Deer Run RV Park in Troy, Alabama. Thursa Brown was host. We had 5 rigs and 6 members attending, Bob and Robbie Reid, Carolyn Gibbs, Thursa Brown, Ralph Jefferson, Wilson and Joyce DePriest and Jack and Deanna Finn. For those of us that arrived on Wednesday, we had hot dogs, chile and pound cake on Wednesday evening compliments of our host. We played dominos and skip-bo during the campout and everyone won at least one game.

Two of our former members, Max and Judy Shiver visited us on Thursday afternoon. They both look great and are doing well. They will celebrate their 70th wedding anniversary in July. It was wonderful seeing them and visiting with them.

We had dinner out on Thursday evening at Mossy Grove Restaurant, and as usual we all enjoyed the meal. They are so friendly at the restaurant and are always glad to see us.

We played card bingo on Friday and most everyone won a valuable prize. Some of us had never played this before so it was a lot of fun. On Friday evening we had our covered dish and enjoyed the great cooking of our members. We celebrated the 40th birthday of the Heart of Dixie Ramblers with birthday cake and ice cream for dessert.

The weather was great all weekend, a little warm but the clubhouse was cool and comfortable. We all left for home on Saturday.
