

# JUST RAMBLING

## MONTHLY NEWSLETTER

MARCH, 2015

The Heart of Dixie Ramblers held its March monthly campout at Spring Villa RV Park in Opelika, Alabama on March 12-14, 2015. Emily and Ed Rutledge were hosts. We had 6 rigs attending, Rutledges, Kemps, Ralph Jefferson, Reids and Finns arrived on Wednesday and Spencers came on Thursday. Emily and Ed served Emily's delicious soup on Wednesday evening. It sure hit the spot.

On Thursday morning, our hosts served cinnamon rolls and coffee and then we enjoyed the remainder of the day playing games and just visiting. Most everyone won at either dominos or cards during the campout. Bob Reid won 2 games at dominos and was so happy and claimed he had not won for a whole year. (Of course we did not believe him.)

We had dinner out on Thursday evening at Cock of the Walk restaurant, some real good food with plenty to eat. James led the caravan to the restaurant and took us on the back roads so we saw parts of Opelika that some of us had not seen before.

On Friday morning our hosts served coffee and "pigs in a blanket" and they were sooooo good. Then we spent the rest of the day playing games and visiting. We had warm weather for most of the campout with rain in the afternoons and evenings. However, the weather did not stop us from having our usual good time.

On Friday evening we had our traditional covered dish dinner and we all enjoyed Emily and Ed's delicious ribs, along with some other great dishes and desserts. We are so fortunate to have some great cooks in our group. After the covered dish we held our business meeting. Jack Finn presided, as Carolyn was attending the Alabama Good Sam planning meeting.

On Saturday morning, everyone headed for home.
